

Dear Parent/Guardian:

It's time to register for Life Lessons. Life Lessons is a Cognitive Therapy program that provides individuals with High Functioning Autism an opportunity to gain the appropriate skills essential for social and vocational success. The goal of the program is for all the participants to walk away being more confident in themselves during social situations.

Life Lessons will be held at the new AAF office, **921 N. Kings Hwy Myrtle Beach SC 29577**. The **younger age** group will meet **Tuesdays and Wednesday 4:30-6p.m.** The **older age group** will meet **Tuesdays and Thursdays 6-7:30p.m.** The program will follow the Horry County School calendar. Any sessions that fall on days that Horry County is closed Life Lessons will not meet. The cost of the program is a flat \$120 per month, plus a one-time \$25 registration fee. Please see registration form for payment options. If you choose the 2 installment plan then payments are due the first and seventh session of each month.

Life Lessons also provides its family members and the public monthly workshops. The workshops provide information on implementing strategies at home and in the community to help with the development of social and vocational skills. These workshops are free to all family members of Life Lessons.
